

Endurance[®] Traffolyte Engraved Labels

Silver Fox Traffolyte engraved labels are made from high pressure plastic laminate. Screw holes can be added if required.

They are produced in our factory to your exact requirements. We can produce them with whatever information is required, in one or more lines and with different font styles/sizes (even on the same label). There are various sizes available. Generally black on metal background. Other text colour text options are also available.

Although not LSZH, Traffolyte material is accepted for use on London Underground

Factory produced to your exact requirements.

TECHNICAL DATA

Material: High Pressure Plastic Laminate
Adhesive: High-tack Acrylic Adhesive

Disclaimer: The information contained in this datasheet is based on data we believe to be reliable and is given for information only and without guarantee and does not constitute a warranty.
